

Our terms and conditions

Everything you need to know about us and how we will manage your policy

About us...

iGO4 Limited (iGO4) is an independent intermediary offering a range of personal insurance products from a panel of leading insurers in the marketplace. Our Panel of Insurers can be found [here](#).

The insurer or insurers for your policy will be defined on your policy schedule.

Our aim is to give you choice so we will not advise you or make recommendations; what we will do is provide you with our lowest premium and give you all the information you need to make an informed decision based on your needs. By arranging your insurance policy through iGO4 you are assumed to have agreed to be bound by these terms and conditions.

Because we don't give any advice, our policyholders are responsible for deciding whether our policy meets their demands and needs. This product will meet the demands and needs of someone wishing to insure their car on the basis requested. Upon purchase and on renewal, your statement of facts will confirm your specific demands and needs.

iGO4 Car offers a range of optional extra insurance products. We will only offer a single provider for each optional add-on product:

Premier KeyBack, Excess Protection, NCD Renewal Contribution, £500 MOT, Replacement Car – all provided by Coplus only

Breakdown cover - provided by RAC only

Motor Legal Protection - provided by RAC Insurance Ltd only

As an environmentally friendly business we communicate with you electronically using the email address you provide. All of your documentation is available in digital and downloadable format within the secure "My Policy" section of our website at www.iGO4.com. This ensures your insurance documents are safe and accessible at all times. Your documentation, upon request, can also be posted to you.

As a broker iGO4 will act for you as your agent when searching the market for a suitable policy and arranging the cover to be put in place and when administering your policy once you have taken it out. However, this changes when receiving a claim notification where iGO4 will act on behalf of the insurer. We also act as an agent of insurers when collecting premiums from you.

iGO4 is a credit broker dealing with a single credit provider for this product. iGO4 receives commission as part of this arrangement.

Who regulates us?

Keep us updated...

You have a legal obligation to be open, honest and provide accurate information in response to our questions and to take reasonable care not to make a misrepresentation in connection with your policy.

You must notify us immediately of any changes to the information you have provided, as failure to do so could mean that your policy may not protect you. You must take reasonable care to ensure any changes to the information provided are declared as this may affect your current policy, but may also influence the acceptance and assessment of the insurer's renewal terms. The reason why this is so important is that if you fail to tell us or the insurer, the insurer may not pay a part or all of your claim and may cancel your policy. You may find it difficult to re-arrange cover because you did not tell an insurer everything when asked, and you will have to disclose this fact when you reapply for insurance.

What you will have to pay for our services...

iGO4 may receive payment for arranging insurance policies in the form of commission paid by the insurer that provides your cover, this is a percentage of your premium and is included in the premium you pay. Payment options...

We accept payment by most major credit and debit cards.

If you choose to pay your premium by instalments this will be via a finance arrangement, which will be in your name and subject to interest charges that we will confirm to you when providing the full details. Importantly, the instalment arrangement (credit agreement) you will enter into will be with the finance company not iGO4. It is an entirely separate contract irrespective of the insurance contract. Remember, paying by instalments is more expensive than paying for your policy in full.

So that they have the necessary information to assess your application, prevent fraud and ensure that you are offered the best payment option for your needs, our funding agency PremFina will use credit referencing agencies for a hard credit check for new policies, renewals and in certain circumstances where policy amendments are requested, to check you can afford to pay. As this is a hard credit check, your entire credit history will be searched and a mark will be left on your credit report, so whenever prospective lenders look at your credit report they can see you applied for credit and whether you were accepted. This affordability assessment will take place after you have applied for a credit agreement.

If your application is unsuccessful, PremFina will contact you to inform you. This will not invalidate your insurance - however, you will be required to pay for your policy in one full payment.

In the event of your failure to meet the contractual obligations regarding payment, the finance provider will cancel the credit agreement and charge the funded balance back to iGO4. iGO4 will then contact you directly regarding payment for your insurance policy.

Before your premium is paid to the relevant insurer, and for your protection, we hold your money as an agent of the insurer. This means the premium is treated as having been received by the insurer as soon as it is received by us. Any refund due to you from the insurer may also be held by us as the agent prior to it being paid to you.

Your right to cancel...

If you wish to cancel your policy you can do this by contacting us via phone, email or post. You have the right to cancel for any reason.

A charge will apply for the period of cover provided and all applicable fees are detailed in the "What you will have to pay for our services..." section.

In some circumstances a refund may not be possible and you will be required to pay the balance of any premium owed e.g. if you have made a claim.

Your policy wording will set out your insurer's terms and any applicable cancellation charges made by your insurer.

Whenever your policy is cancelled, if we have given you a discount off your premium at inception this will be deducted on a pro rata basis from any refund due to you on cancellation. All applicable fees are detailed in the "What you will have to pay for our services..." section.

After 14 days you may cancel this agreement with us at any time subject to the charges detailed under "**What you will have to pay for our services...**" You have the right to cancel any of the additional products you have purchased from us at any time. If you cancel your motor insurance

policy, any additional products linked to it will also be cancelled.

If you cancel within 14 days of the policy start date, you will get a full refund. After 14 days you will be charged for time on cover. If you have claimed on any additional product at anytime no refund will be given.

We also reserve the right to cancel this agreement at any time if there are valid grounds for doing so. We will provide you with sufficient time to re-arrange your insurance and we will notify you of termination in writing via e-mail or letter, together with an explanation if appropriate. Valid reasons may include but are not limited to:

- where we, or your premium finance provider have been unable to collect a premium payment;
- where you are required to send us information in accordance with the terms of your quotation and you fail to do so;
- where we reasonably suspect fraud; or
- use of threatening or abusive behaviour or language, or intimidation or bullying of our staff or underwriters.

Should your policy be cancelled for any reason there will be no return of premium if a claim has been made during the current period of insurance. If you pay by instalments, please also refer to your credit agreement.

If you need to complain...

We want your experience with us to be second to none but if this is not the case, we want to know about it. If you have a complaint you can let us know by calling our Customer Service team on **01733 308235**, emailing us at complaints@iGO4.com or writing to us at **Complaints Department, Nile Street, Burslem, Stoke-On-Trent, ST6 2BA** Please note that calls may be recorded.

We investigate all complaints that we receive and hope to come to a satisfactory outcome as quickly as possible. However, if you are not happy with our response, you may approach the Financial Ombudsman Service by writing to them at **Financial Ombudsman Service, Exchange Tower, London, E14 9SR** or by telephone on **0800 023 4567** from a landline or **0300 123 9123** from a mobile. Alternatively visit their website www.financial-ombudsman.org.uk. Full details of our complaints procedure are available on request.

When your policy is due to renew...

In good time before your renewal date we will provide you with an invitation which details the premium and the terms and conditions for renewal of your policy. We will review the premium with your current insurer and we will also work with our panel of insurers to see if we are able to find a cheaper alternative than your current renewal quote.

If you are paying by monthly instalments in most cases you won't need to do anything, we will renew your insurance policy as per our invitation and continue to collect the monthly instalments from your bank as usual.

If you pay for your insurance in full by credit or debit card and haven't objected to your card details being stored for future automatic use, in most cases we will attempt to take payment using your card up to four days before your renewal date.

You will need to contact us before your cover runs out if you have not given us permission to use your card, you wish to use an alternative payment method or you do not want to renew your policy with us.

You have the option to choose whether your policy will automatically renew and can contact us via phone, email or post at any point during the policy year to amend this.

If for some reason we are unable to, or you have told us not to automatically renew your policy, we will contact you by e-mail in good time before your renewal date to let you know what needs to be done in order to continue your cover with iGO4. If we have not heard from you before your renewal date, all cover will cease on the expiry date of the policy.

The legal bit...

The parties are free to choose the law applicable to this contract and, in the absence of agreement to the contrary, the law of England and Wales will apply.

Financial Services Compensation Scheme (FSCS)...

iGO4 and the insurer are covered by the Financial Services Compensation Scheme (FSCS). You may be entitled to compensation from the scheme if we are unable to meet our obligations. This depends on the type of insurance and the circumstances of a claim. Insurance arranging is covered for 90% of the claim without any upper limit and compulsory classes of insurance such as third party motor insurance are covered for 100% without any upper limit. Further information about compensation scheme arrangements are available from the FSCS on www.FSCS.org.uk or by telephoning **0800 678 1100**.

WARNING

When applying for or amending your insurance policy, we will ask a number of questions to assess the risk prior to agreeing cover. It is your duty to ensure that you answer all questions honestly and reasonably. These questions are designed to enable us to understand your insurance needs, and only by asking such questions and receiving answers which are given honestly and with reasonable care can we or the insurer be in a position to offer terms which are designed to meet your demands and needs.

If you are buying this policy for your trade, business or profession then it is vital that you understand your duty to provide all materially relevant information to us throughout the life of the policy. Materially important information is any information that could influence an insurer's decision to accept your risk including the cost of your insurance. For example, details of previous insurance claims that you have made, or reported, personal information about you, such as criminal convictions and general information about the risk. If you are not sure how much information to provide or do not understand the questions please ask.

FAILURE TO ANSWER QUESTIONS HONESTLY AND REASONABLY, WHEN ASKED, MAY LEAVE YOU WITH NO COVER AND A CLAIM NOT PAID.
